## Mission Statement

The Mission Statement of the Knights of Columbus of our Lady of Fatima Council 8613 Scholarship Committee, is to provide financial help for qualifying high school seniors from Good Shepherd Church, and Sacred Heart or Saint John Bosco parishes. Scholarship(s) will be awarded after a review of the student's written application and can be used while furthering their education in college or at a trade school. Academics, extracurricular activities along with community and parish service will be the prominent factors used in making the selection.

In the upcoming weeks, we will begin the process of fundraising for the scholarships. You will be able to make a one time donation or sign up for a pledge of 5 years. The pledge amount will be as follows:

Silver level:	\$25 each year
Gold level:	\$50 each year
Diamond level:	\$100 each year
Platinum level:	\$ 200 or more each year

We hope that many of you will participate to help our youth.
